There continues to be many exciting developments with UAB Athletics as our progress has gathered much positive publicity. We continue to gain extraordinary momentum, and the important work will make a difference in this great community.

The UAB Department of Athletics has received unprecedented financial support from the UAB and Birmingham communities. To date, more than \$17.2 million has been pledged for Football, Bowling and Rifle, and over the past 14 months, we have raised over \$39 million for all of our UAB athletics programs. Thank you for choosing to *Be the Difference* with your overwhelming generosity.

Your contribution is providing critical support for the success of the football, bowling, and rifle programs at UAB. It is an honor to provide you with an update on the impact of your giving and to let you know how your gifts enable UAB to continue to enhance the lives of the student-athletes we serve. We remain thankful for your support of the UAB community. Your giving is truly changing everything.

Go Blazers!

Mark T. Ingram  
UAB Director of Athletics
