All UAB retirees need to join UABRA to protect their retirement fund and health care insurance. Membership is open to all retired faculty and staff of UAB, University Hospital and their spouses, widows and widowers of retirees. Those nearing retirement and friends of UABRA may join as associate members. A UABRA application can be downloaded from the Join link. The governor and legislators respond to numbers (voters), so we need as many retirees to join as possible. It is in their best financial interest to join UABRA. Retired faculty and staff from the University of Alabama at Birmingham banded together in December 2002 in Birmingham to establish a Retirees Association to deal with COLA, PEEHIP premiums and other issues affecting UABRA. Help us help you and join today.
