UAB Retirees are proud to have been a part of the UAB community!

Your UAB retiree colleagues formed the UAB Retirees Association (UABRA) in 2003. Since then we have worked hard to maintain a strong voice in Montgomery to preserve and improve retirement benefits as well as health insurance options.

By working with the Alabama Education Retirees Association (AERA), UABRA continues to have a voice in the state legislature. AERA recently created a higher education position to help with that voice. We invite you to join UABRA to keep informed about important matters that concern UAB retirees. UABRA can get your voice heard, and your membership and active participation can help strengthen our retirement community.

UAB Retirees Association has more than just political interests. We enjoy bringing our group together by sponsoring interesting events throughout the year. We now offer jointly sponsored events with UAB New Horizons and the UAB Alumni Association.

If you are not a member, please join by mailing the completed form below. If you are a member, now is the time to renew for 2017. We look forward to your joining us!
